Letter from the Chair

Greetings, WIN Family and Friends!

It felt like yesterday since I joined my first WIN meeting in 2019, where I quickly felt I was accepted and belonged without having to explain myself or concerned about being judged.

I am truly appreciative to work aside an inspiring team of volunteers and members who continue to support WIN's mission to serve as a business resource for all immigrants who are current or future state employees. WIN is a place for **US** to connect, share, and educate each other and Washington state agencies on the skills, expertise, and cultural value of a diverse workforce.

Together we can shape a better work environment driven by courage, dignity, and kindness if we are vulnerable and lean in together to build a culture where we ALL belong.

Best wishes,
Christina Pourarien (She/Her), WIN Chair (2022-2024)

If you are curious, an immigrant, have a parent who is an immigrant, or want to learn more about our community, we encourage you to join us by attending a general membership gathering, leading a career and developing workshop, volunteer to serve on a sub-committee, or becoming a mentor! Our business resource group embraces you with open arms and hearts.

I also encourage you to sign up to receive our [monthly newsletter](#). You are also welcome to share your [immigrant story](#) or submit a three-minute video for us to post on WIN's website.

Introduction

History

The Washington Immigrant Network (WIN) started as an initiative by Lorraine Lee, Chief Administrative Law Judge of the Office of Administrative Hearings (OAH), which serves as the sponsoring agency. Judge Lee convened meetings to organize WIN in early 2017, inviting state workers interested in forming a Business Resource Group (BRG) for immigrant state workers.

WIN officially began on June 8, 2018, with a kickoff event at the Governor's Residence. For the inaugural year, Christine Stalie served as chair, Nam Nguyen served as co-chair, and Kim Sauer served as secretary.

Meet the WIN [Leadership team](#) and our amazing [members and volunteers](#).

WIN is a Business Resource Group for Washington State's employees with a mission to:

Expand opportunities for immigrants who are current and future employees within the Washington state government.

- Serve as a resource for all immigrants who are state employees to connect, share, and educate each other and Washington state

agencies on the skills, expertise, and cultural value of a diverse workforce.

WIN’s general goals are to:

- Retain and support immigrant state employees by providing a support structure, education, career progression, and leadership development assistance.
- Recruit immigrants to state service through outreach and educational activities.
- Serve as a resource for Office of Financial Management (OFM) State Human Resources and state agencies in creating and sustaining a diverse and inclusive workforce.
